

# Sweetgrass

by Kirsten Joel

## DESIGN INFORMATION

Sweetgrass is a shallow triangle shawl knit mostly in Stockinette stitch with a simple eyelet border and knitted-on lace edging. The stitch pattern of the lace edging is easy to remember, and instructions are provided in both charted and written formats. Sweetgrass is a great pattern for any shawl knitter, from the beginner to the adventurous.

The yardage requirements make this a great one-skein project. With the right yarn choice, this shawl can take you from summer into fall, and it will pair well with most outfits.

## ABOUT THE DESIGNER

Originally from Los Angeles, Kirsten moved to Charleston, SC with her husband Jason and quickly planted roots with a group of girlfriends and started her family. She strongly believes in designing knit patterns that are portable, meditative, and quietly sophisticated. Her designs allow you to be present for all of life's little moments and create finished pieces that will quickly become wardrobe staples. She loves working with wool, silk, cotton, and linen in classic, neutral

colors.
